

LOCKDOWN RENEWED

COVID-19 Pandemic persists / more virulent strains emerge

DYSTOPIA

A good deal concluded with the EU, allowing trade to continue on terms roughly similar to current

BUILD A NEW FUTURE

COVID-19 Pandemic recedes / effective vaccine becomes available at scale

ANGRY NEIGHBOURS

No deal / bad deal concluded with the EU. Trade becomes more costly, difficult, complex

Under each scenario:

- what impact would this have on our key clients and their legal needs?
- what practice areas and service lines that we supply would be in demand, or not?
- how would we optimise our business performance?
- what specific actions do we need to take?
